OUR PRODUCTS

WE ARE AN NSF CERTIFIED MANUFACTURER THAT SPECIALIZES IN ALL TYPES OF CORNER GUARDS.
WE SHIP PRODUCTS THROUGHOUT THE UNITED STATES, CANADA AND PUERTO RICO.

- TEXTURED
- PAINTABLE
- RECYCLED
- SURFACE MOUNTED

VINYL

VINYL CORNER GUARDS

Vinyl Corner Guards with Tape or Vinyl Corner Guards with Screws make for easy installation on existing walls and corners. Vinyl Corner Guards are for hotels, offices, and homes. Available in a wide variety of styles and materials that meet any requirement.

- POLYCARBONATE
- VARIOUS SIZES
- DURABLE
- VARIOUS COLORS

LEXAN

LEXAN CORNER GUARDS

We provide our customers the finest in Lexan (Polycarbonate) Corner Guards. Clear plastic corner guards let your paint color or wallpaper design show through. Or choose from a variety of colors to match your décor. If you choose one of our standard colors, most orders can be delivered within one week.

STAINLESS STEEL CORNER GUARDS

Stainless Steel Corner Guards provide ideal impact protection for all your wall corners, as well as high traffic areas. Available in a variety of finishes, you can coordinate your corner guards to match your interior, or use them as a design element. We make our standard stainless steel corner guards from Type 304, 16 ga (industry standard). Other types and gauges are also available.

BRASS CORNER GUARDS

Brass Corner Guards protect - and adds grace to - the walls of some of our finest government buildings, world famous concert halls, apartment buildings and corporate headquarters worldwide. We make our standard brass corner guards from Muntz Brass with a Brushed #4 Satin finish or Mirror #8 Finish.

DIAMOND PLATE CORNER GUARDS

Diamond Plate Corner Guards provides an industrial-high-tech look, while protecting your corners from impact damage. With their solid construction and bright, mirror-like finish. Our Aluminum diamond plate corner guards are suitable for use on drywall, brick and plaster corners in commercial, industrial, and residential settings. And don't forget the corners of your furnishings and equipment. They need protection from impacts as well.

METAL

- STAINLESS STEEL
- ALUMINIUM
- BRASS
- DIAMOND PLATE
(OTHER METALS ALSO AVAILABLE)

ADDITIONAL PRODUCTS

- Foam Rubber Corner Guards (Boing, Cardinal & PermaLight). Ideal for assisted living, child play areas and manufacturing facilities.
- Hard Rubber Corner Guards
- Heavy Duty Wall Protection (Crash Rails, Bumper Guards)

BENEFITS

- Protects corners from impact
- Coordinates with your interior
- Economical & Sustainable
- Easy to install

AVAILABLE IN CUSTOM SIZES
